PROFESSIONAL EXPERIENCE

The Westin Resort & Spa Cam Ranh | Marriott International

Cam Ranh, Vietnam

Learning & Development Coordinator

Mar 2026 – Present

- Own the property's statutory training framework, classifying 214 associates into six occupational safety and health training groups under Vietnamese labour law and producing an audit-ready master workbook approved by the HR Director.
- Plan and deliver the annual training calendar, including the 2026 Food Hygiene & Safety programme for 70+ associates across Culinary, F&B and Purchasing; manage group allocation, bilingual communications, attendance records and self-study materials.
- Design and deliver the property's full brand engagement calendar — Marriott Culture Week, Associate Appreciation Week and Marriott Career Week 2026 — owning concept, run-of-show, cross-departmental coordination, internal campaigns and post-event reporting.
- Administer Marriott's Digital Learning Zone property-wide: audit role-change data against function-based learning paths, re-map 19 associates, and report completion and compliance to Heads of Department.
- Build internal training capability by co-delivering the Certified Departmental Trainer workshop across three sessions for 11 nominated trainers with an external JW Marriott facilitator; CDT certified, June 2026.
- Own the Marriotternship 2026 pipeline end to end, from university sourcing and CV screening through interviews, agreements and pre-boarding, tracked in a single master file.
- Standardise onboarding by authoring the new-hire orientation facilitator script and managing bilingual (EN–VN) L&D communications to Heads of Department and associates.
- Partner with Heads of Department to assess learning needs, identify performance gaps and translate business priorities into practical development initiatives.
- Facilitate property-wide learning sessions and provide ongoing coaching support to associates and departmental trainers, ensuring consistent application of Marriott brand standards.
- Evaluate training effectiveness through assessments, participant feedback and completion data, providing management with actionable insights and recommendations for continuous improvement.

Dong A University

Da Nang, Vietnam

Educational Consultant & Assistant Lecturer

Apr 2025 – Mar 2026

- Advised prospective students and their families on programme selection, entry requirements and career pathways, translating academic structures into decisions that non-specialist audiences could act on.
- Supported classroom delivery alongside faculty by preparing materials, managing session logistics and fielding audience questions - establishing the facilitation and explanation discipline now applied to associate training.
- Maintained candidate and enrolment records throughout the admissions cycle, following each enquiry across handover points between advisory, faculty and administration.

- Coordinated with faculty, admissions and administrative teams to resolve student enquiries, confirm programme information and ensure smooth cross-functional handovers.
- Prepared and updated consultation guides, presentation materials and programme briefs, translating detailed academic information into clear, audience-friendly content.
- Supported university information sessions, student orientation and engagement activities, managing session logistics, participant communication and on-site coordination.

Hoiana Resort & Golf – New World Hoiana Hotel | Rosewood Hotels & Resorts

Quảng Nam, Vietnam

Sales Coordinator

Dec 2023 – Apr 2025

- Coordinated the commercial documentation cycle — proposals, contracts, rate correspondence and booking records - for a multi-property integrated resort operating to New World service standards.
- Acted as the link between the commercial team and operating departments including Front Office, Food & Beverage, Events and Finance, converting confirmed business into accurate instructions each department could execute.
- Maintained CRM and group-booking records so account history, deadlines and handover points remained traceable across a large multi-team environment.
- Managed bilingual (EN–VN) correspondence for domestic and international corporate and travel-trade accounts, maintaining a luxury-service tone across every written touchpoint.
- Supported Sales Managers with client meetings, property inspections and familiarisation trips, coordinating itineraries, venues and departmental briefings.
- Consolidated sales activities, booking updates and account follow-ups into regular reports, helping the team monitor deadlines and commercial priorities.
- Responded promptly to client requests and booking changes, coordinating revisions with relevant departments while maintaining accuracy and luxury service standards.

SELECTED PROJECTS & DIGITAL WORK

- Designed and delivered Marriott Culture Week, Associate Appreciation Week and Marriott Career Week 2026.
- Designed and delivered more than six new-hire orientation classes using a two-day delivery schedule.
- Published more than ten live digital/website products.
